

TRYTON TRIBUNAL

WEEKLY PARENT MESSAGE

Special Edition 2025: Getting Ready for STEM Grade 7

We are incredibly excited to launch our **STEM program** for the very first time with our incoming Grade 7 students! This marks the beginning of a dynamic and hands-on learning journey that will challenge students to think critically, solve real-world problems, and collaborate in innovative ways. As Father Michael Troy says: *“The best is never over; the best is yet to be. Let the good times roll.”*

What to Expect from STEM Learning at FMT

Our Grade 7 students will be immersed in a rich and engaging STEM experience that includes:

- **Regular design challenges** that promote creativity, problem-solving, and teamwork
- **Career speakers** who will inspire students with real-world STEM pathways
- **Cross-curricular STEM integration** in all subject areas
- A personalized **SpacesEDU digital portfolio** to document learning and growth

Key September 2025 Dates

- **Wednesday, September 3 (Grade 7 Only), 8:40 AM – 11:40 AM**
Registration and school photos, locker/lock assignment, schedule overview, a Rapid STEM challenge

FATHER MICHAEL TROY
Catholic Junior High School

Chromebooks

- Students are encouraged to bring their own Chromebook/laptop to school with them each day.

Lockers and Locks

*All students will be assigned a school-issued 3-digit combination lock. Lockers **must be always locked**. Students are responsible for personal belongings, including electronics.*

ETS Arc Cards

Available in the school office for \$60.00 - Replacement cards cost \$6.00

Mobile Phone Policy

“Door to Door” Policy: Phones must be powered off and stored in lockers from arrival until dismissal.

Athletic Clause (New)

To remain in good standing on a school team, student-athletes must:

- *Stay current with schoolwork and show consistent effort*
- *Show respect to teachers, coaches, teammates, opponents, and officials*

Backpack Policy (New)

Backpacks are not allowed in classrooms.

Students may access lockers: Before school, during locker break, at lunch

PowerSchool – Stay Informed

PowerSchool is an essential tool for families. Teachers update marks regularly, and it’s important for parents to log in and monitor student progress.
